VACANCY ANNOUNCEMENT

POSITION

Early Childhood Atelierista/Specialist

STARTING DATE

SY 2025-2026

GENERAL DESCRIPTION

RIS seeks an enthusiastic and engaging **Early Childhood Atelierista/Specialist** to work in our innovative program for 2-4 year-olds, who will lead, inspire, and promote student learning. The applicant should be knowledgeable about early childhood development, the Reggio Emilia Approach, student-centered learning, and differentiation. The applicant will collaborate with department team members, school leaders, and the curriculum coordinator to ensure that instruction meets the needs of each student.

The Early Childhood Atelierista will work closely with Pre-K classroom teachers to design and implement creative, interdisciplinary activities that support inquiry-based learning through the arts.

Create an Inspiring Atelier: Establish and maintain an engaging Atelier where students can freely explore various materials and artistic media.

Support Child-Led Projects: Encourage and guide students in child-led, interest-driven projects that foster creativity and self-directed learning.

Document Learning Journeys: Document and showcase students' creative processes and projects through visual displays and written narratives, celebrating each child's learning path.

RIS is committed to child safeguarding and expects all staff and volunteers to share this commitment by proactively upholding our code of conduct.

NECESSARY SKILLS & EXPERIENCE

- Strong background in various art media, music, and theater
- Knowledge of the Reggio Emilia philosophy and experience in a similar educational setting.
- Experience working with young children in a creative, project-based learning environment.
- Ability to communicate effectively with students, parents, teachers, and other stakeholders
- Ability to differentiate instruction for all learners
- Willingness to be an active participant in our collaborative processes
- Proven ability to develop and deliver successful academic programs
- Participation in current and relevant professional development in teaching and learning

- Experience using standards-based assessment and student portfolios to document learning.
- Experience using technology tools in teaching at the elementary school level.
- Willingness to work in a multicultural environment

QUALIFICATIONS & REQUIREMENTS

- Current Early Childhood/Elementary licensure or certification for teaching at the Pre-Kindergarten level, with a master's degree in a related field preferred
- Minimum of two years' successful experience as an elementary or early years teacher in an accredited Early Childhood, Elementary, or Primary school
